

## **Summer School Opportunity**

This summer Maranacook students who need to make up a required course may attend Capital Area Regional Summer School at Cony High School in Augusta. Courses will run from June 25-July 16. Tuition is \$150.00 plus a \$20 administration fee. If students failed a required semester one course, it is recommended that they attend summer school. Semester two grades will be available in June.

The following Maranacook courses must be taken in sequence:

English 9 before English 10

English 10 before a Junior English course

Global Exploration before World History

World History before U.S. History

The following courses will also be offered:

Integrated Algebra I, Geometry, and Algebra II

Integrated Science, Biology, and Chemistry

½ credit of Fine Arts.

Due to the sequential nature of some of our courses, we urge summer school participation rather than taking either two English or two Social Studies courses during the senior year. Applications are available in the Guidance Office. Students must complete their registration by June 20<sup>th</sup>, and the signature of the guidance counselor is required. Any questions, please call (685-4923, Mrs. Bergeron, Ext. 326 or Mrs. Schmidt, Ext. 327).
