**REQUIRED SIGNATURE OF PARENT OR GUARDIAN (for all student users)**

Due to the nature of the electronic resources, it is neither practical nor possible for School Union #42/CSD #10 to enforce compliance with user rules at all times. Accordingly, parents and students must recognize that students will be required to make independent decisions and use good judgment in their use of these services. Therefore, parents must participate in the decision whether to allow their children access to these resources and must communicate their own expectations to their children regarding its use.

As the parent or guardian of this student, I have read School Union #42/CSD #10's Electronic Resources - Acceptable Use Policy, Administrative Procedures, and the User Acknowledgment Form

- I understand that the electronic resources are designed for educational purposes and that School Union #42/CSD #10 will discourage access to objectionable material and communications that are intended to exploit, harass or abuse students. However, I recognize it is impossible for School Union #42/CSD #10 to restrict access to all objectionable material.
- I understand that a variety of inappropriate and offensive materials are available. I also understand that it is possible for undesirable or ill-intended individuals to communicate with my child. I have determined that the benefits of my child having access to the electronic resources far outweigh potential risks.
- I understand that any conduct by the above named student that is in conflict with this agreement is inappropriate, and such behavior will result in the termination of access, disciplinary action, and/or legal action.
- I have reviewed these responsibilities with my child, and I hereby grant permission to School Union #42/CSD #10 to provide my child with access to the electronic resources.
